INSTRUCTIONS¹

General:

You are instructed to answer the following Data Requests with written, verified responses pursuant to, without limitation, Public Utilities Code §§ 309.5(e), 311(a), 314, 314.5(a), 581, 582, 584, 701 and 702 and Rule 1.1 of the California Public Utilities Commission's Rules of Practice and Procedure within ten (10) business days. Note that Public Utilities Code § 581 requires you to provide the information in the form and detail that we request and failure to do so may result in fines or other penalties.

Each Data Request is continuing in nature. Provide your response as it becomes available, but no later than the due date noted above. If you are unable to provide a response by the due date, notify the Public Advocates Office within five (5) business days, with a written explanation as to why the response date cannot be met and a best estimate of when the information can be provided. If you acquire additional information after providing an answer to any request, you must supplement your response following the receipt of such additional information.

This data request does not diminish or excuse any pending written or oral data requests to you.

The Public Advocates Offices expects you to respond to this data request in a timely manner and with the highest level of candor

Responses:

Responses shall restate the text of each question prior to providing the response, identify the person providing the answer to each question and his/her contact information, identify all documents provided in response to the question, and clearly mark such documents with the data request and question number they are responsive to.

Responses should be provided both in the original electronic format, if available, and in hard copy. (If available in Word format, send the Word document and do not send the information as a PDF file.) All electronic documents submitted in response to this data request should be in readable, downloadable, printable, and searchable formats, unless use of such formats is infeasible. Each page should be numbered. If any of your answers refer to or reflect calculations, provide a copy of the supporting electronic files that were used to derive such calculations, such as Excel-compatible spreadsheets or computer programs, with data and formulas intact and functioning. Documents produced in response to the data requests should be Bates-numbered, and indexed if voluminous.

¹ Because SoCalGas has routinely failed to comply with the Instructions provided in the data requests in this investigation, portions of these Instructions are highlighted to bring your attention to the Instructions. Cal Advocates' expects that you will comply with all of the Instructions, including those that are highlighted.

Requests for Clarification:

If a request, definition, or an instruction, is unclear, notify the people listed above in writing within five (5) business days, including a specific description of what you find unclear and why, and a proposal for resolving the issue. In any event, unless directly otherwise by the people listed above, answer the request to the fullest extent possible, explain why you are unable to answer in full, and describe the limitations of your response.

Objections:

If you object to any of portion of this Data Request, please submit specific objections, including the specific legal basis for the objection, to the people listed above within five (5) business days.

Assertions of Privilege:

If you assert any privilege for documents responsive to this data request, please notify Cal Advocates of your intent to make such claims within five (5) business days, and provide a privilege log no later than the due date of this data request, including: (a) a summary description of the document; (b) the date of the document; (c) the name of each author or preparer; (d) the name of each person who received the document; and (e) the legal basis for withholding the document.

Assertions of Confidentiality:

If you assert confidentiality for any of the information provided, please identify the information that is confidential with highlights and provide a specific explanation of the basis for each such assertion. No confidential information should be blacked out. Assertions of confidentiality will be carefully scrutinized and are likely to be challenged absent a strong showing of the legal basis and need for confidentiality.

Signed Declaration:

The data response shall include a signed declaration from a responsible officer or an attorney under penalty of perjury that you have used all reasonable diligence in preparation of the data response, and that to the best of their knowledge, it is true and complete.

In addition, any claim of confidentiality or privilege shall be supported by a declaration from your attorney under penalty of perjury stating that your attorney is familiar with the relevant case law and statutes pertaining to claims of confidentiality and privilege such that there is a good faith basis for the claim.

For example, the phrases “from January 1 to January 31,” “January 1-31,” “January 1 to 31,” and “January 1 through January 31” should be understood to include both the 1st of January and the 31st of January. Likewise, phrases such as “since January 1” and “from January 1 to the present” should be understood to include January 1st, and phrases such as “until January 31,” “through January 31,” and “up to January 31” should also be understood to include the 31st.
- D. The singular form of a word shall be interpreted as plural, and the plural form of a word shall be interpreted as singular whenever appropriate in order to bring within the scope of these Data Requests any information or documents which might otherwise be considered to be beyond their scope.
- E. The term “communications” includes all verbal and written communications of every kind, including but not limited to telephone calls, conferences, notes, correspondence, and all memoranda concerning the requested communications. Where communications are not in writing, provide copies of all memoranda and documents made relating to the requested communication and describe in full the substance of the communication to the extent that the substance is not reflected in the memoranda and documents provided.

- G. “Relate to,” “concern,” and similar terms and phrases shall mean consist of, refer to, reflect, comprise, discuss, underlie, comment upon, form the basis for, analyze, mention, or be connected with, in any way, the subject of these Data Requests.

H. When requested to “state the basis” for any analysis (including studies and workpapers), proposal, assertion, assumption, description, quantification, or conclusion, please describe every fact, statistic, inference, supposition, estimate, consideration, conclusion, study, and analysis known to you which you believe to support the analysis, proposal, assertion, assumption, description, quantification, or conclusion, or which you contend to be evidence of the truth or accuracy thereof.

I. Terms related in any way to “lobbying,” lobbyist,” “lobbying firm” and “lobbyist employer” shall, without limitation, be construed broadly and, without limitation, to be inclusive of how those terms are described in the Sempra Energy Political Activities Policy (Policy) and the training materials related to the Policy.²

² The Sempra Energy Political Activities Policy defines lobbying broadly on page 3 as: “any action intended to influence legislative or administrative action, including activities to influence government officials, political parties, or ballot measures. DATA REQUEST

1. Please provide any form of non-disclosure agreement between SoCalGas or Sempra Energy Company and the following former SoCalGas employees:
 - a. Kenneth Drew Chawkins
 - b. George Minter

2. Please provide a privilege log for all information in its SAP system that SoCalGas seeks to exclude from Commission review on the basis of privilege claims

Consistent with the Instructions above, the privilege log should be similar to the following sample and contain, at a minimum, all of the information identified in this sample so that the validity of the privilege claim is evident from the log:³

<i>Doc No.</i>	<i>Doc Location</i>	<i>Date</i>	<i>Author</i>	<i>Recipient</i>	<i>Privileges</i>	<i>Description</i>
1-2		1/1/2015	John Doe, Sales Mgr.	Sally Smith, CEO Jane Roe, General Counsel	Atty-Client	Portion of email to in-house counsel seeking advice on contract negotiations redacted.
15-20		7/1/2018	Jane Roe, General Counsel	Sally Smith, CEO	Atty-Client, Work Product	Memorandum from in-house counsel to CEO regarding options for litigation

³ Cal Advocates notes that such a table is standard practice in the production of privilege logs. Indeed, this “sample” is the same as one recommended by in a practice article featured on the American Bar Association’s website, with a column added to identify the location of the document. Cal Advocates provides this sample to avoid any misunderstandings given that Cal Advocates has been advised that SoCalGas has failed to provide accurate and complete privilege logs in other investigations. See <https://www.lawpracticetoday.org/article/practical-advice-privilege-logs>

3. Please provide a declaration signed under penalty of perjury by a SoCalGas attorney affirming that there is a good faith basis in the law for all of the privilege claims asserted in the discovery log provided pursuant to Data Request 2 above.

Note that Public Utilities Code § 581 requires you to provide the information in the form and detail that we request and failure to do so may result in fines or other penalties.
